(a) The AMSA data does not include the departure date, only the date the Master's report was received. The departure date is determined from AQIS export permits.

(b) Some voyages may include consignments from other licenced exporters, these are not identified in the AMSA data.

(c) The AMSA reports do not include the discharge date. The discharge date is determined by adding the voyage duration to the departure date.

* An investigation of the incident was conducted by AQIS.
